From Our Pastor, Father George

September 15, 2024 is the 24th Sunday in Ordinary time

Message From Father George:

Today's Peter, Pope Francis, spoke a lot recently about Jesus the Christ. Even in similar missionary circumstances in which Peter professed his faith in Jesus. He did it in the most northern Palestinian territory when Jesus visited scattered villages of Caesarea Philippi. Pope Francis did it in Indonesia, Papua New Guinea, East Timor and Singapore: countries located on the other side of the globe, which are 8-9 hours to the East ahead of Rome.

In Indonesia, during his Holy Mass in Jakarta the Holy Father preached: "The encounter with Jesus calls us to live out two fundamental attitudes that enable us to become his disciples. The first attitude is listening to the word, and the second is living the word. First, listening, because everything comes from listening, from opening ourselves to him, welcoming the precious gift of his friendship. Then it is important to live the word we have received, so as not to listen in vain and deceive ourselves (cf. Jas 1:22). Indeed, those who risk listening only with their ears do not allow the seed of the word to descend into their hearts and thus change their way of thinking, feeling and acting, and this is not good. The word given, and received through listening, wishes to become life in us, transform us and become incarnate in our lives.

At the big Mass on the main stadium in Port Morsby, the capital city of Papua New Guinea, Pope Francis said: "Brothers and sisters, God responds to such distance in the complete opposite way, with the nearness of Jesus. Through his Son, God wishes to show first of all that he is near and compassionate, that he cares for us and overcomes any distance. In fact, in the Gospel passage we see Jesus going to territories on the peripheries, leaving Judea in order to meet the pagans (cf. Mk 7:31). Through his nearness, Jesus heals human muteness and deafness. Indeed, whenever we feel distant, or we choose to keep ourselves at a distance from God, from our brothers and sisters or from those who are different from us, we close ourselves off, barricading ourselves from the outside. We end up, then, revolving only around our own ego, deaf to the word of God and to the cry of our neighbor, and therefore unable to speak to God or our neighbor.

The gospel reading is mixed with dramatism and beauty, cross and God's love. On the one hand it is great to know who Jesus is and to realize what He brings to us and yet it is so hard to follow Him in His rejection, persecution, cross and death. How can we deny ourselves, take up His cross and follow Him? Only with His help and grace and His divine power. Peter confessed his faith in Jesus, because God revealed it to Him. We don't need to worry about our limitations but work on our faith in God and our trust in Him. He will take our cross with us, He will encourage us to live well with His courage, He will speak through us with His wisdom, and He will lead us through our death with His resurrection.

My Dear Brothers and Sisters in Christ,

News of Amendment 4, a dangerous pro-abortion amendment which will appear on the Florida ballot this fall, has no doubt reached you by now. The amendment is misleading in its language, and dangerous not only for full-term babies, but women, and girls. It is my hope that once you look into the facts of this proposed change to Florida's state constitution, you will unequivocally vote *no* in November.

Keep in mind, if you will, that the word *no* is not always negative. In this case, it is not only a *positive*, it is positively crucial, and even lifesaving! Plan to do something positive by saying yes to life by voting "no" in November.

Why vote no on Amendment 4?

Titled *Amendment to Limit Government Interference with Abortion*, this amendment would embed unregulated abortion in the state constitution, establishing an unlimited right to abortion throughout the pregnancy, making Florida one of the most pro-abortion states in the nation.

Amendment 4 **would allow for second and third trimester abortions**, a stark contrast to Florida's current Heartbeat Protection Law which allows abortion up until a heartbeat can be detected, at about six weeks gestation. Although in a perfect world any abortion would be unthinkable, it is certainly preferable to have some limits on when it is legal.

This amendment allows for abortion for any reason, including consideration of the *patient's health*, which is undefined in the amendment. Current Florida law includes an exception for when the pregnant woman's life is in danger, among many other exceptions.

Further, Amendment 4 puts not only babies, but women and girls at risk. The amendment weakens the current medical doctor requirement, allowing *healthcare providers*, not just physicians, to determine if an abortion is necessary to protect the mother's health. This is dangerous for women.

The Amendment also eliminates the currently required parental consent for a minor to have an abortion, preserving only parental *notification*. This is reckless, and destructive, for girls, and their families.

In short, Amendment 4 goes dangerously beyond even what was permitted in the Roe v. Wade ruling. **It is extreme, and unnecessary. There is simply no need to expand what is an already expansive abortion law in Florida.**

Some have said that the Church has no place in politics. It is true that the Church would never suggest you vote for a particular candidate. However, in this election year, it is critically important to remember that shaping the moral character of society is a responsibility of people of faith, and a basic part of the mission we have received from Jesus Christ. In this case, when confronted with such a clear threat to human life and dignity, **the Church must not be silent and simply cannot remain on the sidelines.**

Let us unite in prayer to defeat this expansive, pro-abortion amendment, and vote *no* on Amendment 4 in November.

Thank you, and God Bless you, and your family.

Sincerely yours in Christ,

+ Frank J. Dewane, Bishop of the Diocese of Venice in Florida

Helping the Homeless

Please Help Make a Real Difference

Living in our downtown community, you certainly have seen people asking for money on our streets and on St. Martha property. Many of us wonder how we can help. Should we give these suffering people a few dollars?

The facts show that 90% of homeless people suffer from addiction and/or mental illness. Handing a homeless person cash enables the continuation of their substance abuse. Please do not give money to the homeless.

But what about our duty as Christians? Aren't we supposed to help the poor and those in need? The answer is yes, absolutely! But please do it the right way and let your donation truly do the good you intend.

Starting this weekend, you will find the Homeless Outreach donation box near the main doors of the church. Place your "few dollars" in this box on your way out of church. The monies collected will support these local homeless charities:

Caritas Food Pantry: A parish ministry at St. Martha. The food pantry is open Monday thru Friday and serves hundreds of families every week.

Resurrection House: Resurrection House provides a wide array of free services to the homeless including breakfast, lunch, bathrooms, showers, toiletries, laundry service, clothing, chapel, barber, health screening, medical doctor, dentist, vaccines, and legal services.

Family Promise: A Catholic Charities organization addressing the gap in local services for pregnant mothers experiencing homelessness. Expectant mothers and their children can be housed at the Family Promise Francis House or Family Promise funding housing. Family Promise currently houses thirty-nine pregnant mothers with children.

The Homeless Outreach donation box is the way to truly help. Placing your donations in the box will make a real difference.

Please consider including St Martha in your will, trust, or designating us as a beneficiary!

Thank YOU!
